Swatch 51 Revolution
Once upon a time, any wristwatch had more than 150 components. Then came Swatch - with only 51 components - and with it the Swatch 51 Revolution! That's the inspiration for the latest collection of branded Swatch Merchandise articles, and each item features the Swatch 51 Revolution logo. The Merchandising Collection 2007/08 is for Club Members only. Enjoy!

Some of these attractive vintage Merchandise articles are inspired by Swatch watches! Check out the famous cigar watch and matching branded pen, or the «tape measure» Swatch and its bright yellow and black key-chain companion piece on www.swatchtheclub.com/merchandise.

There's more Swatch merchandise on the way this Winter, so keep an eye for details.
